

Sandburg Traffic Safety Plan

What do you want to do?

I want to drop off or pick up my child (they get out of the car or come to the car, I stay with the car)

- Use Tomscot Trail

I want to park my car and walk my child to school or walk to pick them up

- Use Gerald St or other nearby streets, including the south side of Donald Drive

I need to park close to school for a few minutes only *** (for example, I need to pick up a sick child, drop off a form in the office, or my child is too small to walk to Tomscot for a pickup)

- Use the school-side of Donald Drive (10 minute parking only!)

IF YOU RIDE THE BUS TO SCHOOL ...

- Wait for the bus on the sidewalk and stay out of the street.
- Enter the bus in a single file line.
- Be safe in front of and behind the bus – never reach under the bus!

IF YOU WALK TO SCHOOL ...

- Always cross at cross-walks and with crossing guards (when available)
- Stay on the sidewalks while walking.

IF YOU RIDE YOUR BIKE TO SCHOOL ...

- Always wear a helmet and be safe!
- Register your bike at the office (in the event of theft). Bike locks are encouraged.
- **Walk your bike on school property!**

Key Terms

- “Parking” is leaving your car unattended (Drop-off or Pick-up are not parking). Therefore, you can be with your car in a “No Parking” area.
- “No Stopping, Standing, or Parking” means **no cars there!**

SAFETY IS OUR TOP PRIORITY! *Here is how parents can help!*

- NEVER encourage a child to cross the street in the middle of the block!
- NEVER encourage a child to cross the street in front of a bus!
- ALWAYS encourage children to go to the office if they’re not sure where to go!

It takes a village to keep kids safe ...

Thank you to the Sandburg Families, Sandburg Staff, Sandburg PTA, Madison Police Department, Traffic Engineering and Public Health Department, Madison Area Safe Kids Coalition, the Safe Community Coalition, and the Bicycle Federation.
